

Ingredients is food we use to cook

recipes.

---

Cooking utensils are tools we use to cook

recipes.

Circle the cooking utensils you need and the ingredients you need in the recipe.

teaspoon

cheese

baking sheet

peperonni

timer

pizza sauce

oven

english muffins

oven mits

# Grocery List

Directions: Use your recipe to determine what ingredients you need to add to your shopping list. As you write the ingredient on your list, see if you have a coupon for the item. If you do, use your calculator to figure out your new price and write in on your grocery list. Use a calculator and find your total.
