

Circle 1 and 2/3 cups using the LEAST amount of measuring cups possible

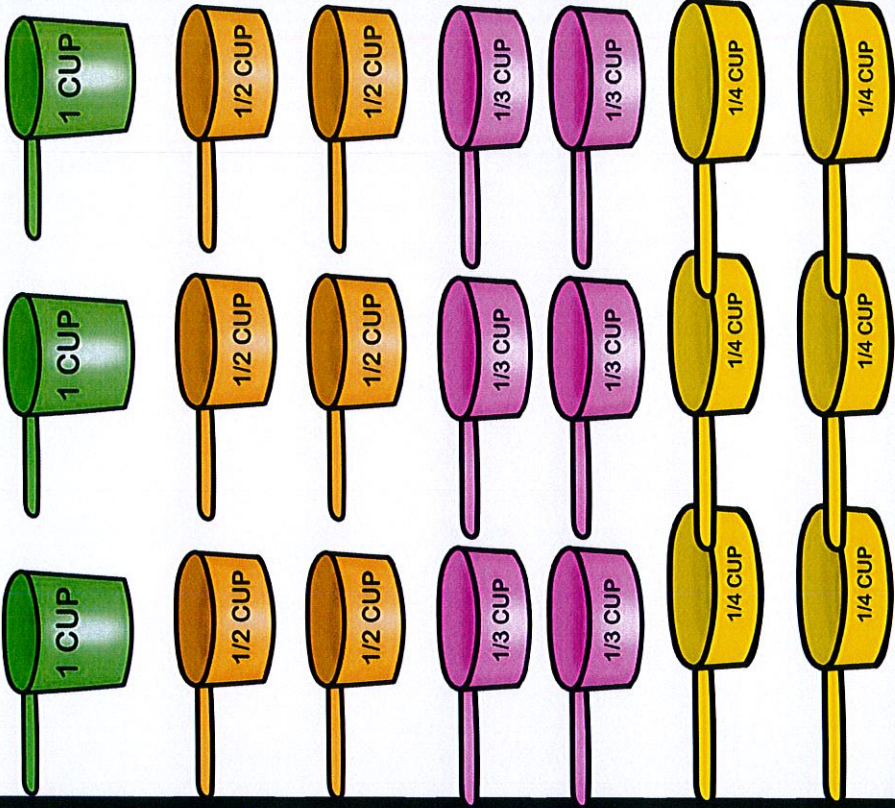

Circle 2 and 3/4 cups using the LEAST amount of measuring cups possible

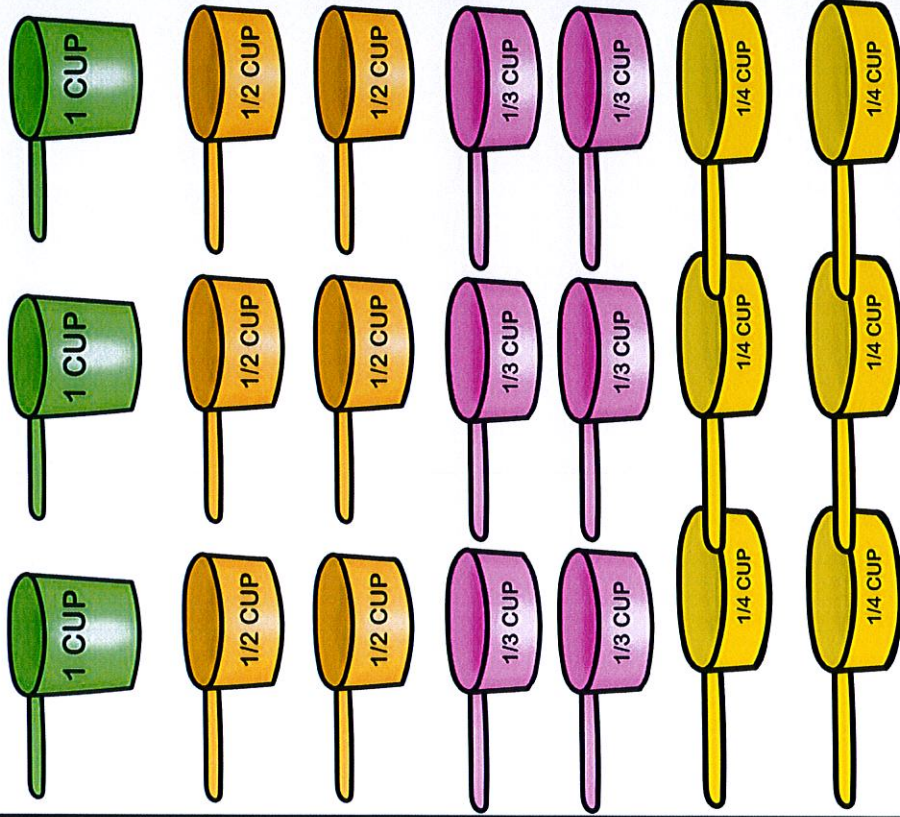

Circle 2 and 1/3 cups using the
LEAST amount of measuring
cups possible

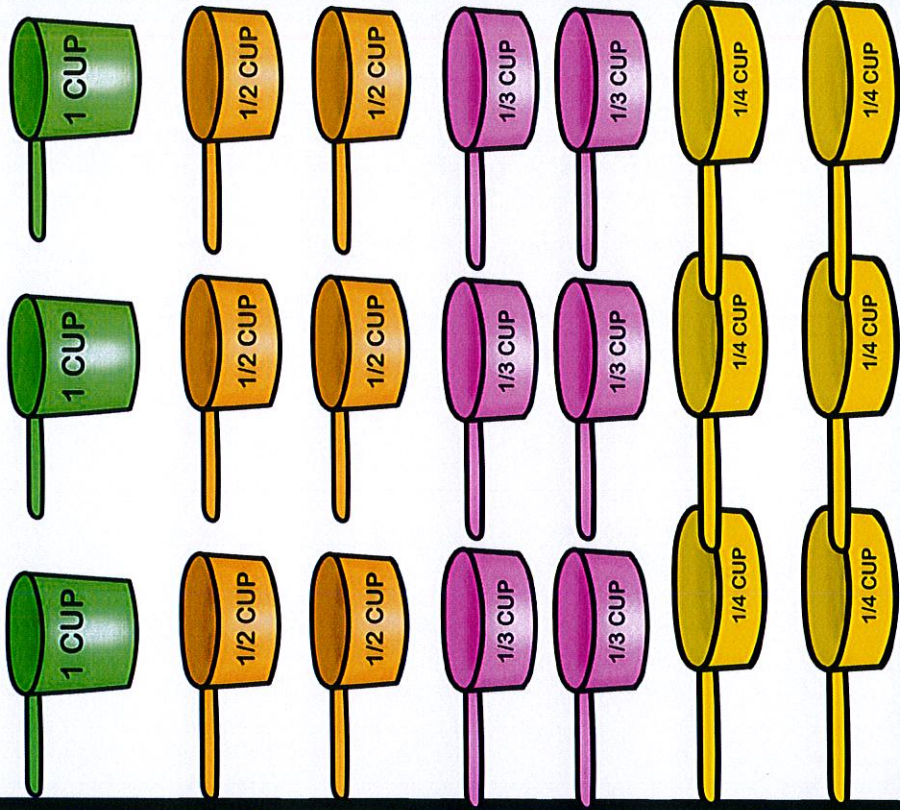

Circle 1 and 1/2 cups using the
LEAST amount of measuring
cups possible

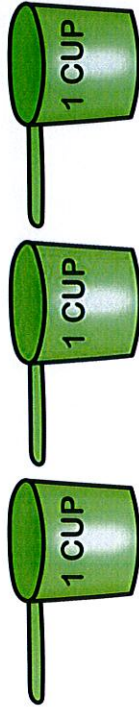

Circle 3 and 1/4 cups using the
LEAST amount of measuring
cups possible

Circle 2 and 1/2 cups using the
LEAST amount of measuring
cups possible

Circle how many I need to
make 1 cup

Circle how many I need to
make 1 cup

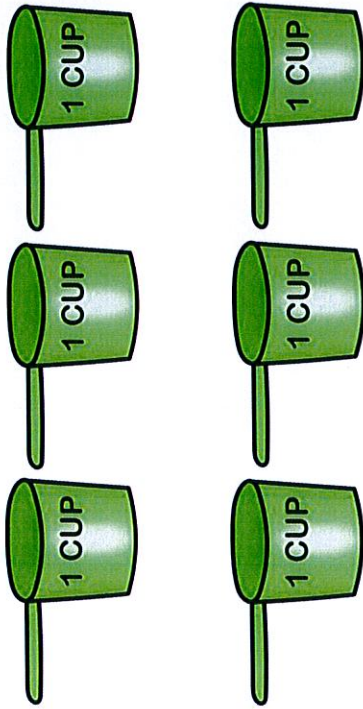

Circle how many I need to
make 1 cup

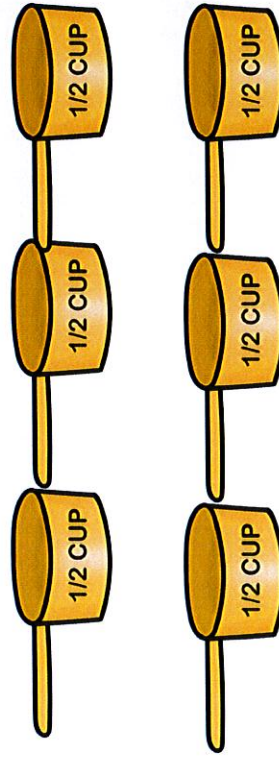

Circle how many I need to
make 1 cup

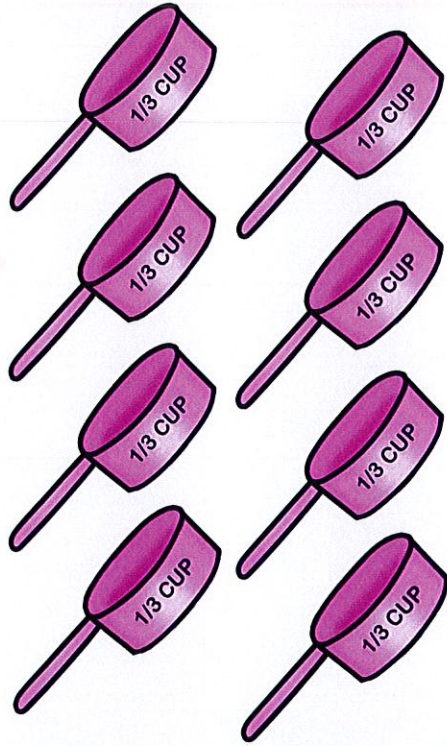

Circle how many I need to
make 2 cups

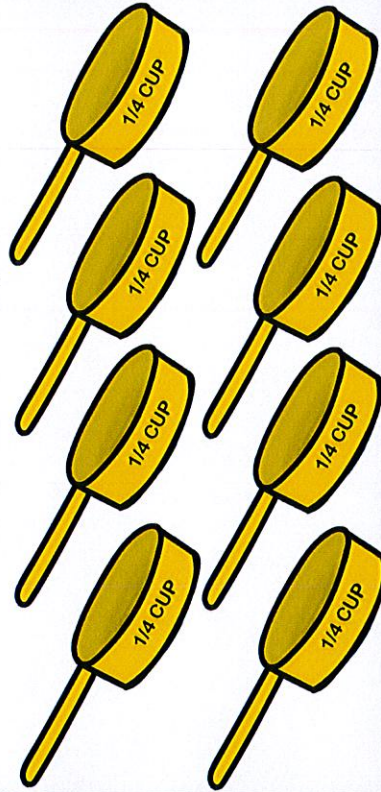

Circle how many I need to
make 2 cups

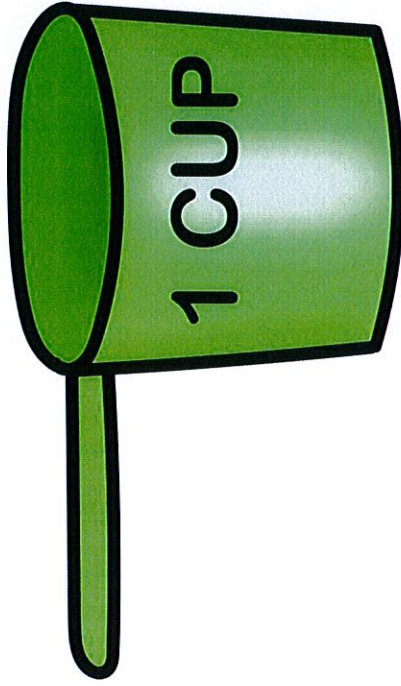

Circle how many I need to
make 2 cups

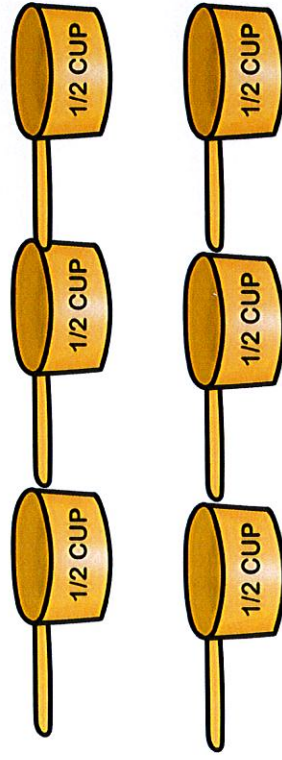

Circle how many I need to
make 2 cups

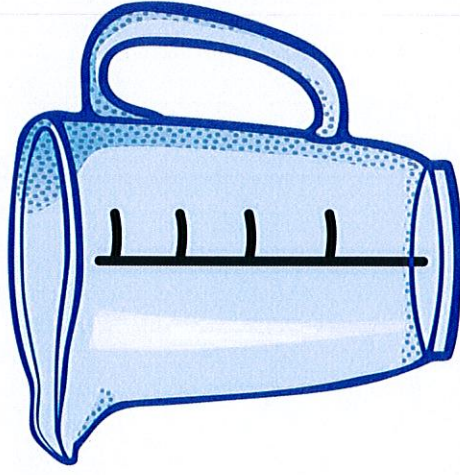

Draw a line where I would fill
 $1/2$ cup

Circle how many I need to
make $1/2$ cup

If this glass measuring cup is
1 cup, draw a line for $1/2$ cup

Circle how many I need to
make $1/2$ cup
